H.S.C	Paramveer Bana Singh Vae Matriculation Higher Secondary School	State Board	2007	83.5%
S.S.L.C	Blossom School	State board	2005	67%

*Up to 8th semester

Technical Skills

- Languages: C, C++
- Database: MY SQL
- Tool: Win Runner, Rational Rose

Area of Interest

- Object Oriented Programming(OOPS)

Extra Curricular Activities

- Have completed Hardware Assembly Management- HAM course from CISCO.
- Active participant in sports and an enthusiastic cricket player.
- Farming is my delightful pastime with my father.

Project:

Title: Automatic Cricket Highlights Generation based on key frame and image separation

The highlights of a cricket video is generated by extracting important events such as boundaries, wickets, catches, chances and crowd excitement from the input video using reference images. The Output video generated contains the important events from the input video thereby reducing the overall size and length of the input video and also saving the storage space which is an important factor for those hosting a cricket video online.
